Objective

I am a sophomore student majoring in computer engineering at The City College of New York. I was selected as a finalist for scholarship provided by the South Asian American Association, Inc. The purpose of this resume is to make a clear idea about my education, experience and technical skills for being selected to receive the scholarship.

Professional Experience

- Freelance programmer (provided daily IT support to 25+ end users, including software installation and updates)

Technical Skills

- **Software:** MS Office, MS PowerPoint, MS Excel
- **Programming language:** C++, MATLAB, C, HTML
- **System:** Linux, Windows 10/7/XP, Mac OS
- **Other:** Web designing

Education

- B.E on Computer Engineering at The City College of New York of the City University of New York (expected graduation year: 2021)
  - GPA 3.6
- High School Diploma from Notre Dame College, Bangladesh (2016)
  - Placed in top 100 students among the country
  - Received federal scholarship

Extra-Curricular Activities

- Actor (acted in a T.V. drama named 'Shob Badha Perie' in 2012 in Bangladesh)
- Opening batsman in high school cricket team
